PLC CONNEX Industrial Surplus Center

We are global supplier of industrial automation components with headquarters in Toruń, Poland and Logistic Center in Germany.

We can boast 10 years' experience in repair services rendered with respect to any types of electronic equipment and since the very beginning of our activities we have been supporting our customers with our technical knowledge.

We supply new, obsolete, hard to get and discontinued- end of life parts.

Every year we conduct "GO GREEN CAMPAIGNS" and repurchase subassemblies to give them second live.

WE SUPPLY NEW AND REFURBISHED PARTS
OF INDUSTRIAL AUTOMATION SINCE 2006.
